Was bedeutet das Laufen für Dich?

Running is an escaping moment while I try to learn a bit more about myself and to challenge me.

Wo läufst Du am liebsten?

I love to run in the countryside and in big cities all over the world. Flat or drop races doesn't matter, I go where my feet lead me.

Was macht den Mainova Frankfurt Marathon für Dich so besonders?

First of all it is a German Marathon who reminds me of my origins. It is also a flat and quick race, the time is fresh and Germans are very positive and cheerful. Moreover the medal is awesome. Finally I can't wait for tasting the finisher brezel ;-)

Was ist das Beste am Mainova Frankfurt Marathon?

The best thing about Mainova Frankfurt Marathon is the finish line with the red carpet and the amazing dome of light. It must be the apex of the wonderful race.

Was ist Dein #timetofly Moment beim Mainova Frankfurt Marathon?

My #timetofly moment will be when I will achieve a new personal record on this marathon :-)
